Career Objective

A motivated and enthusiastic student eager to leverage academic knowledge and technical skills in a dynamic and team-oriented work environment.

Seeking opportunities to contribute to innovative projects, gain practical experience, and further develop expertise in a challenging and growth-oriented setting.

Skills

- **Languages:** C, Python, Java, HTML, CSS, JavaScript
- **Frameworks:** ReactJS, Bootstrap, ExpressJS
- **Technical Skills:** MySQL, MongoDB
- **Developer Tools:** vscode, Jupyter, spyder
- **Soft Skills:** Communication, Teamwork, Leadership

Projects

- **Hospital Management Website** June - July 2024
 - Led a team in the design and development of a Hospital Management Website using **HTML**, **CSS**, and **JavaScript**.
 - Managed project phases, ensuring timely implementation of features for efficient patient and resource management.
- **Bus In/Out Tracking System** Oct - Nov 2024
 - Developed a real-time web application to track the number of buses entering and leaving the college campus.
 - Integrated functionality to monitor and display the student count on each bus.
 - Implemented backend with **Node.js** and **Express.js**, connecting to a **MongoDB** database to store bus and student data.
 - Ensured smooth data flow and real-time updates for accurate monitoring.

Experience

- Intern at Technical Hub , Surampalem** June 2024 - July 2024
- Designed and developed responsive web pages, implementing interactive features for improved user experience.
 - Utilized HTML, CSS, and JavaScript to create a user-friendly and visually appealing interface.
 - Contributed to the development of a comprehensive Hospital Management Website, optimizing features for hospital operations.
 - Ensured cross-browser compatibility, improving accessibility and usability across different platforms.

Achievements

- **1st Prize in Poster Presentation in Fest Veda**, conducted by Aditya University, for the topic on **Devops vs Devsecops**.
- Secured **Gold Badge** in **IoT** from NPTEL.

Education

- Aditya Engineering College** | Bachelor of Technology (B. Tech) in Artificial Intelligence and Machine Learning Oct 2022 - Present
- **CGPA:** 9.34

Aditya Junior College | Intermediate(MPC)

2020 - 2022

Aditya School | SSC

2020

Certifications

- **IT Specialist Certification in HTML, CSS** – CERTIPORT
- **IT Specialist Certification in Python** – CERTIPORT
- **Certificate in Java** – Oracle Academy
- **Red Hat Certified System Administrator (RHCSA)**
- **DBMS (Database Management Systems)** – NPTEL, Elite
- **Internet of Things (IoT)** – NPTEL, Gold Badge
